**Due to the large number of US Sumo Open competitors in recent years, and due to the time restrictions (with the venue, film crew, and audience), the tournament directors reserve the right to hold preliminary bouts for select athletes in advance (on the evening of March 22), to reduce the number of athletes competing on March 23 to a manageable level. Regardless, ALL athletes who submit entry form, entry fee, and photo by the deadline will be included in the event program, and will be allowed to compete in the Openweight division (single-elimination), regardless of whether or not they are eliminated from their own weight class, on the evening before. By submitting this paperwork, be aware that you agree to comply with these terms.**

- 
- Athletes must weigh in on March 21 or 22 only. Check times & locations with [director@usasumo.com](mailto:director@usasumo.com)
  - Athletes must bring their own white or black mawashi. Black tights may be worn under the mawashi.
  - All mawashis must be of standard thickness. No sub-standard mawashis are allowed.
  - USSF Sanction #T2019-0323. All US citizens or residents who compete must be current USSF members.
