### **THE APPEAL OF EUROPEAN SUMO FEDERATION FOR PEACE**

In view of the escalation of military action against a free Ukraine and the threat of nuclear weapons, we condemn the attack by Russia and firmly oppose the shedding of blood. At the same time, we express our support to the Ukrainian People, who are now defending their homeland.

In solidarity with Ukraine, and with sumo athletes in particular, we decided to suspend, until further notice, the organization of sumo sports competitions at the European level. In our noble martial art, the principle of fair play is the foundation and the basis for action, what's more, it is our life sign and we will never leave this way.

At the same time, we declare our full readiness to help the athletes from Ukraine, their families, relatives and all who need it.
